

How Courthouse Dogs Can Help You

Courthouse Dogs is dedicated to promoting justice through the use of well trained dogs to provide emotional support to everyone in the criminal justice system. We can offer our experience and expertise to assist your agency or jurisdiction in the development of a successful facility dog program.

Presentations

- One to three hour presentations for audiences of any size
- Lively, informative talks with slide shows and video of professionals working with dogs
- For judges, prosecutors, forensic interviewers, victim advocates, child advocacy center professionals, law enforcement officers, nonprofit boards of directors, funding agencies

One-Day Workshops

- For child advocacy center professionals and others working with child victims and witnesses
- Absorbing, information-packed workshop for up to 30 attendees
- Active learning opportunity with trained assistance dog

Site Analysis

- A road map for the development of a courthouse dog program in your jurisdiction
- On-site visit by consultants to understand your unique situation
- Detailed, specific advice to enable you to create an effective dog program

Program Development

- Full consultation services throughout the creation of a courthouse dog program
- On-site visits to build support for the program and create a detailed plan for your office
- We can help you develop policies and protocols, educate your staff, acquire a professionally-trained dog, and integrate the dog into your office
